

**WE SAY
NAW TO**

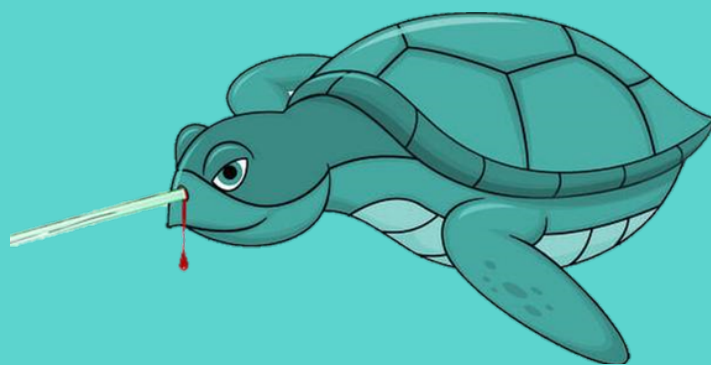

Plastic Straws

To save our oceans we only give straws to those who need them....

Facts about Plastic Straws

1. Straws are in the top 10 items of marine debris
2. 500+ million straws are used worldwide, daily!!
3. Plastic kills 1 million seabirds every year
4. Plastic straws are made from oil— a fossil fuel
5. Plastic straws **NEVER** go away

Only request a straw if you really need one
